

Advisory Committee Meeting

St. Louis River One Watershed, One Plan

August 17, 2021, 9:00-11:30 am (Log in info will be sent separately)

Meeting purpose:

At this meeting we will review and provide feedback on draft plan goals that we did not get to in July and discuss the information and relationships, both what is currently available and what is needed, to set achievable and measurable goals. **The primary purpose of this meeting is to make sure you have provided input and offered diverse perspectives on the direction of the goals and factors important to making meaningful progress towards them within ten years.** As such, we will focus our time on the following:

- Review goals drafted by the Steering Team and how they arrived at the goals
- Provide feedback on the scope and wording of the goals
- Discuss who needs to be engaged to achieve the goals and to understand what progress is possible over the course of the plan

Work to complete in advance

- Review the draft goals (see separate PPT file)
