

A scenic winter landscape featuring a snow-covered riverbank with large rocks. Evergreen trees are visible on the right side, and a blue sky with light clouds is in the background. The foreground shows bare, dark branches.

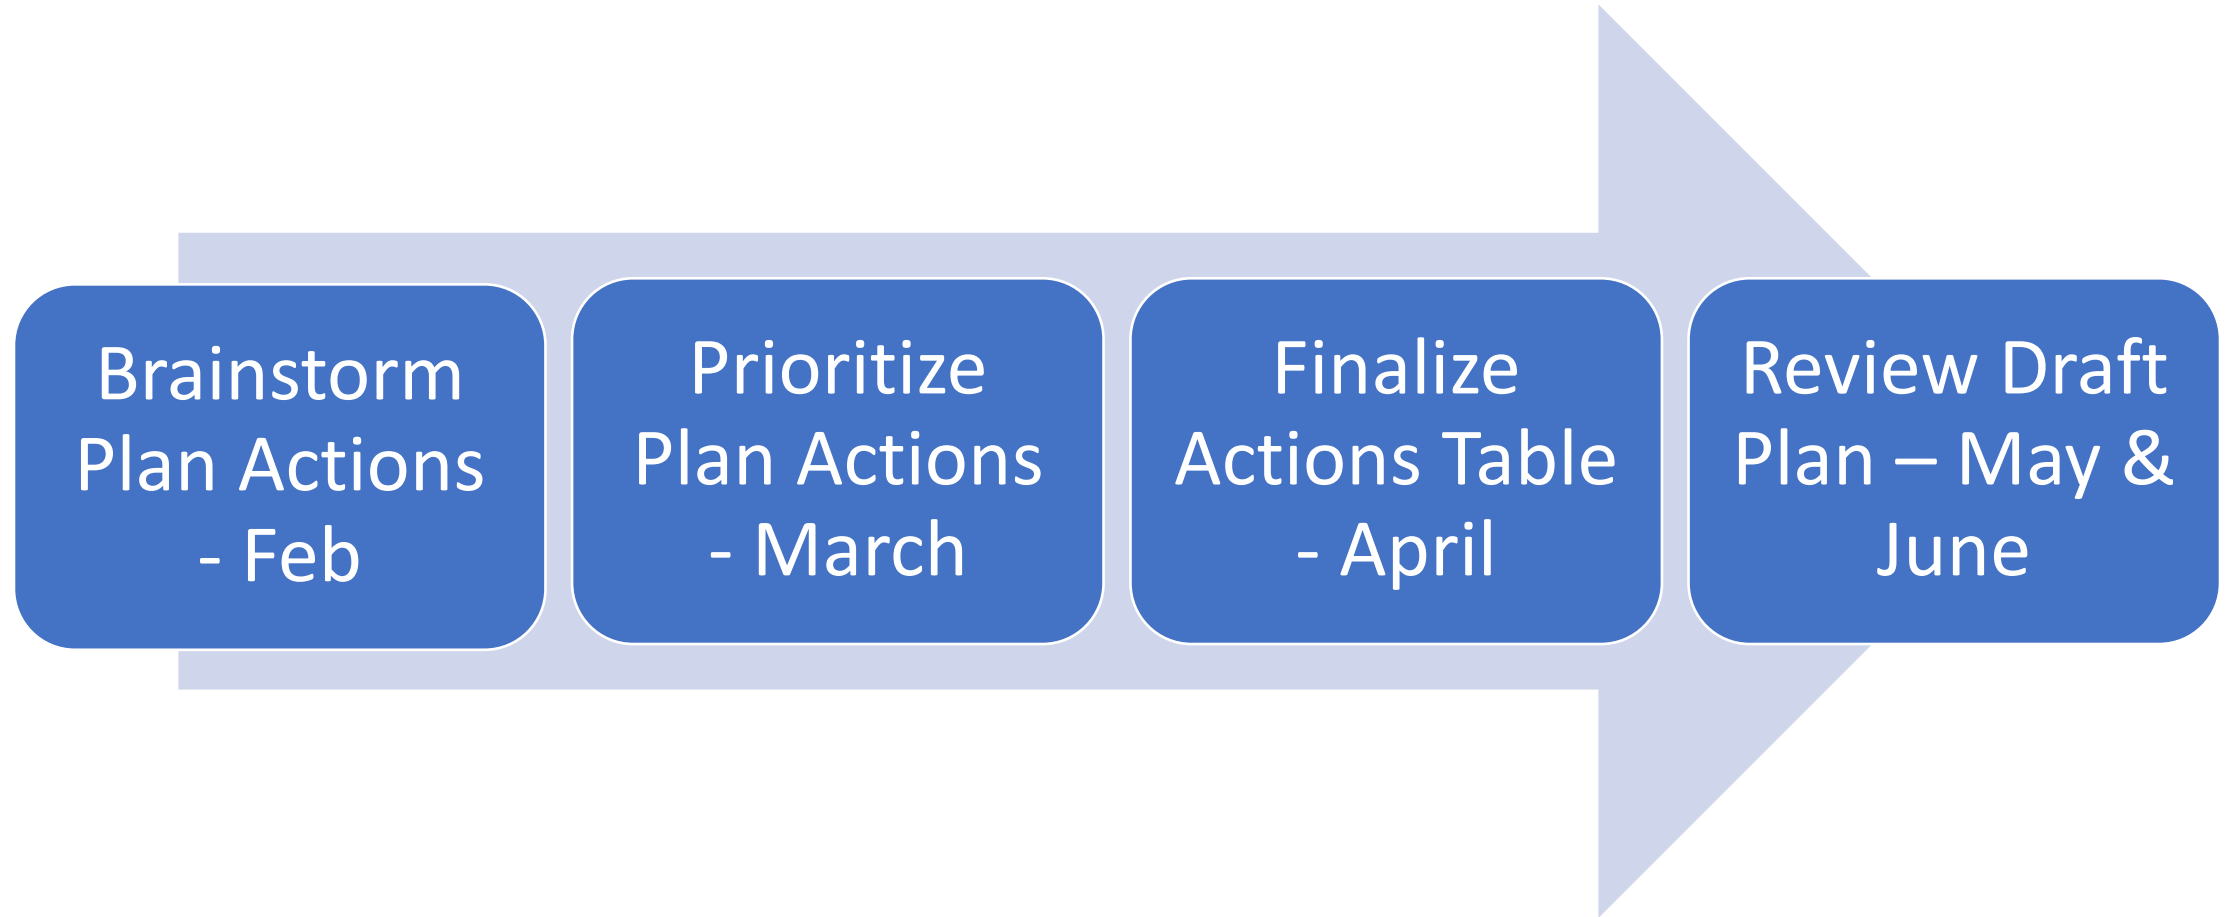

St Louis 1W1P Advisory Committee Meeting

February 15, 2022

St. Louis 1W1P Schedule February 2022

Detailed Schedule

Today's Goal: Brainstorm actions to achieve the plan's goals

Notes to remember:

1. Brainstorming Rules Apply. Not every idea will make it into the final plan. We will be prioritizing actions by 1) Impact to water resources, 2) Feasibility, 3) Urgency/Shovel Readiness 4) Cost.
2. Be specific with your ideas and provide enough context that we can answer the questions above

Today's Strategy

Work through Goals by Priority
Area: Surface Water Quality,
Drinking Water Protection & Land
Use, Altered Hydrology, & Habitat

We will take 10 minutes for
brainstorming & 15 minutes for
Discussion of each
